

PUBLIC NOTICE

Four Square Community Action, Inc. (FSCA) is accepting applications for the Essential Single Family Rehab program for Cherokee county. This program is open to homeowners needing home repairs on a single family dwelling in these counties. Scope of work will address repairs up to \$30,000 at no cost to the homeowner and can include, but not limited to the following home repairs: electrical upgrades or repairs, furnace and heater repair or replacement, structural repair, handicap ramps, roof repair, window replacement, handicap accessible bathrooms, and/or plumbing repair or replacement.

This program is reserved for elderly individuals/families, handicap individuals/family member, and income eligible individuals/families. Applicants must be homeowners or life estate holders. Single-wide mobile homes or homes without a permanent foundation are not eligible.

In order to be considered for this program you need to apply on or before December 10, 2021; or your application on file and current (if you have previously applied for services offered by FSCA). For more details and to apply contact the Community Services Specialist in your county at:
