Dear Angie,

I'm deeply humbled and forever grateful for the extraordinary kindness and support Four Square Community Action, Inc. has extended to me during an incredibly challenging time.

When frozen pipes left me without water, my kitchen stove stopped working, and my monitor heater malfunctioned all at once during the coldest winter stretch, I felt overwhelmed. But your organization's swift and generous response was a beacon of hope and warmth.

Please know that your kindness has made a profound impact on my life, and I'm so thankful for your compassion and support.

The ramp you are installing at my home will be a game-changer, allowing me to move more safely and with much more confidence.

However, it's not only the ramp itself that I'm grateful for – it's also the exceptional service and care provided by Jason Hamby and Doug Smith during the installation of the ramp and that of the kitchen stove. They are professional, friendly, polite, and genuinely caring. Their kindness and compassion make a challenging process much easier.

Thank you for everything you do to support seniors like me in our community. I will continue paying it forward as I strive to break down barriers and build bridges across lines of race, religion, and any other issues that divide us.

Four Square is truly making a difference, and I feel blessed to have been on the receiving end of your kindness.

With deepest gratitude, Ann
